We invite visionary partners to join us in shaping the future of Namibia's creative, sport, and tourism industries through the CST Expo.

Become part of this national platform by joining our distinguished group of partners as a Naming Partner, alternatively a Platinum-, Gold-, Silver,- or Copper Partner, and position your brand at the forefront of innovation, opportunity, and economic growth.

UNLOCKING NAMIBIA'S TREASURES

Dear Fellow Namibians,

It is with great pride and optimism that I introduce the inaugural CST Expo 2026. This is a defining moment for our nation as we rally behind the bold vision of our President to create 500,000 jobs and build a truly inclusive and dynamic Namibian economy.

As we embark on this journey, I am reminded of the powerful words of our Founding President and Father of the Namibian Nation, His Excellency Dr. Sam Shafiishuna Nujoma:

“A people united, striving to achieve a common good for all members of society, will always emerge victorious.”

Namibia's tourism sector has long been a pillar of economic growth. Yet the creative- and sport sectors remain vast, untapped engines of opportunity. By bringing these sectors together, we unlock powerful synergies capable of igniting innovation, empowering entrepreneurs and creating meaningful employment, particularly for our youth.

The CST Expo is therefore not merely an event — it is a national call to action. We call on industry leaders, innovators, exhibitors and sponsors to step forward and join this movement. Let us unite our ideas, our investments and our determination.

Together, we can transform opportunity into enterprise, ambition into achievement, and a vision into a prosperous future for Namibia.
