IN COLLABORATION WITH

WELCOME

Dear Fellow Namibians,

It is with great pride and optimism that I introduce the inaugural CST Expo 2026. This is a defining moment for our nation as we rally behind the bold vision of our President to create 500 000 jobs and build a truly inclusive and dynamic Namibian economy.

As we embark on this journey, I am reminded of the powerful words of our Founding President and Father of the Namibian Nation, His Excellency Dr. Sam Shafiishuna Nujoma: "A people united, striving to achieve a common good for all members of society, will always emerge victorious."

Namibia's tourism sector has long been a pillar of economic growth. Yet the creative- and sport sectors remain vast, untapped engines of opportunity.

By bringing these sectors together, we unlock powerful synergies capable of igniting innovation, empowering entrepreneurs and creating meaningful employment, particularly for our youth.

The CST Expo is therefore not merely an event — it is a national call to action. We call on industry leaders, innovators, exhibitors and sponsors to step forward and join this movement. Let us unite our ideas, our investments and our determination.

Together, we can transform opportunity into enterprise, ambition into achievement, and vision into a prosperous future for Namibia.

Alexforbes Namibia:

A partner in building lasting value

The decisions leaders make today shape far more than performance. They drive resilience, protect livelihoods, influence retirement outcomes and define the legacy organisations leave behind for future generations. In a world of constant change, creating lasting value requires clear thinking, disciplined investment expertise and the confidence to navigate complexity.

For more than three decades, we have partnered with employers, retirement funds and institutions to do exactly that. Through investment consulting and multi-management capabilities, we help clients make better decisions, achieve stronger outcomes and stay focused on long-term value. As Namibia continues to build for tomorrow, the future has a destination and Alexforbes Namibia is the investment destination helping organisations get there.

At Food Lover's Market, we believe that food is more than just nourishment – it's a way to **connect**, to **share**, and to **celebrate together**.

Whether it's a family gathering, a meal with friends, or a moment shared with the community, the **experience** is what truly matters. We're proud to be part of the neighbourhoods we serve, bringing people closer through **fresh, quality ingredients** and a warm, welcoming space.

At **Food Lover's Market**, it's in the **experience** – and we're honoured to be a part of yours.

FOOD LOVER'S MARKET

NOTE FROM THE PRESIDENT

“When we speak about the creative industry, we speak about real jobs and real businesses. Music, films, fashion, digital content, gaming, photography and design are not just hobbies. They are industries capable of creating income, attracting investment and telling Namibia’s story to the world.”

**Her Excellency (H.E)
Dr. Netumbo Nandi-Ndaitwah
President of The Republic of Namibia**
